**Mayor Amy Sundstrom** Itron update by the end of the year will be tabled until next council meeting for full council to be present for vote.

**Citizen Mistie Christiansen;** Addressed the council on the issue of young couples wanting to come back to Emery to live and raise families. There are no lots or any homes for sale. She advised the council on drawing up a expansion plan for the future of the town. The council debated discussed issues of expanding the town limits. Such as water and sewer pipe routes as well as being unable to create "islands" of town boundaries within the county boundaries. The mayor pointed out that it would be up to the Planning and Zoning Committee to create an expansion plan for the council to pass. Town council will Continue to discuss creation of an expansion plan in the near future.

**Council Member Pat Sundstrom;** CVSSD Pat made a request for the **Capitol Improvement List** for next year. It was decided that relining the secondary ponds is a priority as the current ones are ripped, even if it means possible forgoing curb and gutter for next year. Also possibly expanding the ponds or creating another pond in the future. Pat motioned, Mike 2<sup>nd</sup>; Pat: aye, Mike: aye, Amy: aye.

Problems with **the RV Dumps** in the county with people using the water to bypass paying a monthly water bill. Pat suggested monitoring the water usages. He also suggested the putting up a "Non-potable water" sign for liability purposes. More info will be present the next Town Council Meeting.

**BEAL** Mayor reported that the Emery Town Heritage Council was originally awarded \$250,000 from The State of Utah **BEDL** (Business Economic Development and Labor) they were awarded \$199,00 which will also provide the match needed for the Eccles Foundation grant of \$50,000. This gives the ETHC in total \$249,000 to begin pursuing foundation repairs of the Emery Town Pioneer Church.

**DUMPSTER FINES;** People are still dumping at the burn piles. It was suggested by Citizen Jack Funk to have a camera put up to monitor the comings and goings on the burn piles area. As well as putting up

signage indicating the rules. Possibly making a pit or berm around the burn pile for burning. The council would like to make a garbage plan set up for dumpsters and burn piles for next year.
